

# Tymur Skynnyk

Junior Frontend Developer

## ABOUT ME:

I am a highly motivated person who is ready to study hard and desires to expand the horizons of opportunities and grow in the professional field. I enjoy the healthy competition and always try to improve my skills as well as my results, so I'm absolutely ready to work diligently and to do my best. I'm deeply keen on the IT technologies, namely in Frontend Development, I'd like to try myself in this sphere. I'm a quick learner, an open-minded person and I dream of becoming the specialist in web development.

## WORK EXPERIENCE
